

Bear Hunt

This is a simplified version, and the one I remember doing around the fire as a Campfire Girl. .
You can find other versions on the Internet and in picture books . **Children echo lines in bold**

Chorus Chant:

Goin' on a bear hunt

I'm not afraid.

We're gonna catch a BIG one!

Open the door,

shut the door

Here We Go!

(Chorus Chant)

Look!

Tall Grass

We'll have to go through it (swishing sounds)

(Chorus Chant)

Look!

Mud!

We'll have to walk through it. (make slurping sounds)

(Chorus Chant)

Look! Water!

We'll have to swim (make swimming sounds)

(Chorus Chant)

Look! It's a tall tree!

We'll have to climb it (make clicking or other sounds for climbing)

Look around

What do you see?

Oh no! It's a bear

Quick, RUN!

(reverse all lines above as you run home)

Run run run!

Swim across the river!

Run run run!

Walk through the mud

Run run run!

Go through the tall grass

Run run run!

Open the door.... Shut the door.... Whew!

(Finish with one more chorus chant)

THE END!
